# OPTIONS

DYNAMICS		R 17,300
Active Air Suspension	Reducing the space between the car and the road improves aerodynamic performance and range. I-PACE's active air suspension lowers the car when travelling at speeds in excess of 105km/h over extended periods of time. For better off-road ground clearance, the suspension can increase ride height too.	R 17,300
CONVENIENCE		R 1,500
Powered gesture tailgate	Powered gesture tailgate uses proximity sensors located on either side of I-PACE to allow the hands-free operation of the tailgate from the kerb. The tailgate can also be opened and closed via a button on the key fob and includes soft closing.	R 1,500
		<b>TOTAL R 18,800</b>

# STANDARD FEATURES

## EXTERIOR FEATURES

Heated, electric, power fold, memory door mirrors with approach lights and auto-dimming driver side	3-flash lane change indicators	LED tail lights
Rear fog lights	Automatic Headlight Levelling System	Follow me home lighting
S Rear bumper with Gloss Black valance	Flush exterior door handles	Acoustic laminated windscreen
Rain sensing windscreen wipers	Heated rear window with timer	Variable intermittent wipers
Screw-in rear recovery eye	Solar attenuating windscreen	Headlight power wash
Black Exterior Pack		

## WHEELS AND OPTIONS

Tyre Pressure Monitoring System (TPMS)	Reduced section alloy spare wheel
--	-----------------------------------

## INTERIOR FEATURES

Two-zone Climate Control	Sunvisors with illuminated vanity mirrors	Overhead lighting console
LED rear reading lights	Fixed Front Armrest with storage	Front and rear cupholders
Storage under rear seats	Rear centre armrest	Cabin lighting

## SEATING AND INTERIOR TRIM

Ebony carpet

Metal treadplates with Jaguar script

40:20:40 folding rear seats with centre armrest

## DYNAMICS

All Wheel Drive (AWD)

All Surface Progress Control (ASPC)

Hill Launch Assist

JaguarDrive Control

Electric Power Assisted Steering (EPAS)

Open Differential with Torque Vectoring by Braking

Dynamic Stability Control (DSC)

Electric Parking Brake (EPB)

Low traction launch

Enhanced Brake Regeneration

Active Vanes

Brake pad wear indicator

Passive suspension

Coil suspension

## INFOTAINMENT

Interactive Driver Display

Remote

Bluetooth® connectivity

Voice control

USB power sockets (5)

12V power sockets (2)

Android Auto™

Apple CarPlay®

Pivi Pro (Connected)

Lower Touchscreen

Vehicles shown are from the Jaguar Global range. Specifications, options and availability will vary between markets and should be verified with your local Jaguar Retailer. The figures provided are official EU Test Figures. For comparison purposes only. Real world figures may differ.

I-PACE's 90kWh battery warranty is limited to 8 years or 100,000 miles (160,000km) (whichever comes first). It is redeemable in the case of any manufacturing defect or should a certified Jaguar Retailer measure that the battery has dropped below a 70 percent State of Health. Smart settings available from mid-2021.

††View WLTP figures. The figures provided are as a result of official manufacturer's tests in accordance with EU legislation with a fully charged battery. For comparison purposes only. Real world figures may differ. Energy consumption and range figures may vary according to factors such as driving styles, environmental conditions, load, wheel fitment, accessories fitted, actual route and battery condition. Range figures are based upon production vehicle over a standardised route.

‡Includes a 75kg driver and full fluids.

‡‡Includes full fluids.

◇Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

◆Wet: Volume as measured by simulating the loadspace filled with liquid.

**Important note on imagery & specification.** We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **many images cannot be updated to 22 model year specifications**. Features, options, trim and colour schemes will differ from many images. Customers are urged to consult your local Retailer for detailed 22 model year specifications and do not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local retailer for local availability and prices.
