THE AWARD-WINNING ISUZU D-MAX

V-CROSS

Providing legendary Isuzu capability and durability, this robust and proven workhorse offers superior levels of comfort and refinement in our most exciting pick-up yet, the Isuzu D-Max V-Cross.

Distinctive styling, class-leading safety and unrivalled off-road performance combine to deliver a pick-up that consistently meets all of life's needs with ease.

A life driven by work, family and adventure demands more, and the Isuzu D-Max V-Cross delivers.

**“It’s got the strength
and off-road capability
you’d expect” ... “and
can swim to its
elbows in filth.”**

THE SUN

SMARTER.

Striking good looks and a proven pedigree, the Isuzu D-Max V-Cross is trusted to perform and designed to stand out.

ASSERTIVE EXTERIOR

Sleek Bi-LED headlights, distinctive gun metal styling and robust 18" alloy wheels provide a commanding road presence.

Loaded with intelligent driver aids, automatic headlights feature high beam assist and automatic windscreen wipers will activate when moisture is detected on the windscreen. Plus, front and rear parking sensors and a reversing camera ensure safe and convenient manoeuvring.

Newly designed side steps and keyless entry afford easy access to the cabin and a tailgate damper ensures a gentle opening action when accessing the load bed.

“It’s better equipped, smarter to look at, is a more capable work vehicle and is the safest truck in the class.”

AUTO EXPRESS

SMARTER.

Plenty of room and loaded with tech, the Isuzu D-Max V-Cross provides outstanding levels of comfort and convenience.

ELEGANT INTERIOR

Sophisticated leather upholstery and an 8-way electrically adjustable driver's seat with power lumbar support is combined with a height and reach adjustable leather steering wheel to ensure maximum driver comfort.

Dual zone climate control allows the driver and passenger to set different temperatures and entertainment is provided by the 9" touchscreen which features DAB, Bluetooth®, Apple CarPlay™ and Android Auto™.

Flat folding, modular rear seats and a variety of storage compartments mean the spacious cabin can be configured for any adventure.

STRONGER.

Power and performance that you can rely on, the Isuzu D-Max V-Cross is now even better on and off-road.

TOWING POWER

The V-Cross is capable of towing up to 3.5 tonnes and is equipped with trailer sway control that uses sensors to detect the onset of trailer swing and reduces vehicle speed if sway is identified.

DRIVING TORQUE

A diesel engine delivering 164PS and 360Nm of torque is mated to a choice of 6-speed manual or 6-speed automatic transmission.

Refined suspension improves ride and ensures comfort, especially when unladen, without compromising on its carrying capacity of over one tonne payload.

“This D-Max not only looks and drives better than before, it now features class-leading safety, on trend tech, a far better passenger experience.”

COMPANY CAR & VAN

STRONGER.

No road? No problem! When the going gets tough, the Isuzu D-Max V-Cross handles all terrains with proven capability, no matter what the conditions.

OFF-ROAD CAPABILITY

No adventure is off limits with a 4WD shift-on-the-fly system, rear differential lock and a wading depth of up to 800mm.

TOUGH PROTECTION

Built on a durable ladder chassis, the V-Cross has additional underbody protection covers to safeguard key components when travelling off-road.

“The D-Max represents astoundingly good value and will seriously impress off road.”

AUTOCAR

SAFER.

Best-in-class safety-features—plus a maximum 5 star NCAP rating—take pick-up safety to a whole new level.

“V-Cross will easily manage most terrain its owners will throw it at.”
